## **Come in, stay awhile.**

Bridgette Bar is a chef-driven bar in the heart of Calgary's Design District. Snack, indulge, bend an elbow & realize your day's full potential when you spend time at Bridgette Bar; a space where design, craft and culture intersect.

This is a bar – and one that happens to serve great food. Our drink list is a creative catalogue of crushable cocktails, high-octane originals, craft beers, and a wine list that both hedonists and geeks will appreciate, while our food is as innovative as it is delicious – all in a mid-century inspired setting to keep things extra interesting.

## Our menu

You won't find us using descriptors like seasonal, fresh or locally-sourced because all of those are a given. What we can say, however, is Chef JP Pedhirney is having perhaps a bit too much fun playing with fire. New twists on old favourites make for a playful menu, prepared in our open kitchen on a savory wood-burning grill and oven.
